### Top tips

The secret to success is practising little and often. Use time wisely. Can you practise these KIRFs while walking to school or during a car journey? You do not need to practise them all at once; perhaps you could have a fact of the day. If you would like more ideas, please speak to your child's teacher.

### Practical resources

Write a number between 1 and 20 in words and ask your child to write the numeral, as well as vice versa.

Collect a number of objects and ask your child to write how many in numerals and words.
