A Spotlight on... Robot Wars!

In this section, we celebrate a particular event, achievement or area of the curriculum each week.

This week, a group of budding Year 5 and Year 6 engineers went to the Advanced Manufacturing Research Centre at Sheffield University this week to compete in a Robot Challenge! They had spent a couple of weeks creating their own robots and then spent the day completing various challenges such as arena battles and obstacle courses. 11 Primary Schools took part and Pye Bank were awarded one of only two special awards. We received the Resilience Award for persevering and overcoming problems as team! Well done Pye Bank! Can you spot us in the photo?
