

## PYE BANK CE PRIMARY SCHOOL | WEEKLY FAMILY NEWSLETTER

SUMMER 1 | WEEK 1 | FRIDAY 19<sup>TH</sup> MARCH

### Knowledge Organisers

Dear Families,

At the start of each half term, we have been sending home paper copies of the Knowledge Organisers. Now that we have the new website, you can access them all on there, and so to save paper we have decided that we will no longer be sending them home. You can find them all on the website [here](#). If you still require a paper copy, please ask your child's teacher. **What is a knowledge organiser?** They have lots of key facts, dates and knowledge that your child will need to have a basic knowledge of a topic. **How can you best use your knowledge organiser?** Owning a knowledge organiser does not make your child remember facts! They have to practice! Here are some ideas... **Quiz:** Use the facts to make quizzes for themselves and others **Brain Dump:** Give yourself two minutes to write everything you can remember. **Teach It:** Use what you know to teach and explain your key facts to someone. **Sketch It:** Draw pictures /diagrams to represent each of the facts. I hope these ideas help. Keep practising!

# A Spotlight on... Y2 Trip to the Botanical Gardens

In this section, we celebrate a particular event, achievement or area of the curriculum each week.

On Tuesday, the Y2 children visited the Sheffield Botanical Gardens as part of their Science learning exploring plants and habitats. The children got to look at lots of the plants in the gardens and took part in a range of activities. The children did lots of walking and were very tired by the end of the day but were absolute superstars. Well done Y2!
