Keeping Our Children Safe Online

Dear Families,

Here at Pye Bank, we recognise that today's children growing up in an increasingly complex world, living their lives seamlessly on and offline. This presents many positive and exciting opportunities, but also challenges and risks. We have a comprehensive Online Safety Curriculum and we also try to offer you, as parent/carers, as much advice and support as we can as we know it is an important issue for you. I thought it might be useful to share with you some websites. Click on the images to take you to the websites.

A Spotlight on... Some amazing homework!

In this section, we celebrate a particular event, achievement or area of the curriculum each week. In Year 5, the children have been reading Harry Potter. They were set a homework task of creating a shop from Diagon Alley. These children have absolutely excelled themselves with their creativity and attention to detail!
