School Meals- A new chapter!

Dear Families,

I am pleased to let you know, that after half term, our school meals will be provided by Mellors catering. We have worked with our parent governors, Miss Zabeda and the trust to ensure that we have secured a company that aligns with our values as a school community and are excited at what Mellors can offer to our children. Mellors already cater to some local schools with similar communities and have a good reputation amongst them. In the first week back, Mellors will be working with our community to create a menu that we are all happy with. All meat will continue to be halal. They will be holding coffee morning on Wednesday 21st February so that they can ask parent/carers for favourite meal ideas and listen to your opinions about what you would like going forward. If you are unable to attend there will still be an opportunity to give your views. We will give you more information in the coming weeks. In the meantime, please do let us know if you have any questions.

A Spotlight on... Children's Mental Health Week !

In this section, we celebrate a particular event, achievement or area of the curriculum each week.

This week, we have been celebrating Children's Mental Health Week. The theme for 2024 is 'My Voice Matters'. My Voice Matters is about empowering children and young people by providing them with the tools they need to express themselves. As parents and carers, you play an important role in your child's mental health. Below are some links to websites that provide a wealth of resources to help you support your children to develop healthy minds. Click on the images to take you to the website.
