

Pye Bank CE Primary DSAT Knowledge Organiser

YEAR 1

What is it like where we live?

GEOGRAPHY

KEY VOCABULARY

Human feature: things that have been made or put there by humans. They include bridges and roads.

Physical feature: things that are naturally there. They include hills and mountains.

Local: If something is local, it is near to where you live.

Community: A community is a group of people who live in the same place.

Aerial view: This is the type of view that a map gives us. It is taken from an aircraft looking down on the location.

STICKY KNOWLEDGE

A map gives us information about the world and shows us what and where things are, such as roads, rivers and forests. They can sometimes use symbols to represent these different features.

Maps have symbols to represent different things in that place. Some of the symbols you might see are:

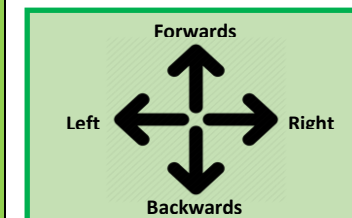

LOCATIONAL KNOWLEDGE

Our school is in Pitsmoor which is a part of Sheffield. This is where it is on a map.

We live in Sheffield which is a city in England. This is where it is on a map.

We can use the words on these arrows to help us talk about the direction that we are moving in.
