PHYSICAL GEOGRAPHY VOCABULARY

Landscape: everything you can see when you look across an area of land

Relief: the way the landscape changes height

MAPPING VOCABULARY

Grid Square: an area on a map representing an area on the ground.

Contour: the shape or outline of an object.

STICKY KNOWLEDGE

1. Castleton is a village in north Derbyshire and it is located in Hope Valley.
2. Castleton is in a rural setting, surrounded by farmland, ridges and hills.
3. Castleton has many tourist attractions. Many tourists visit Castleton to walk in the hills and go to the caves and castle. They also go to the many cafes and shops in the village and stay in the youth hostels.
4. We use a key to help identify the features of a location.
5. To measure the height of the hills and ridges we use contour lines. The closer the lines are together, the steeper the slopes are.

LOCATIONAL KNOWLEDGE

Castleton is a village in the High Peak district of Derbyshire. It is part of the Peak District National Park.
